

DON'T THINK TWICE, IT'S ALL RIGHT (BOB DYLAN, 1962)

G D Em
It ain't no use to sit and wonder why, babe,
It ain't no use in turnin' on your light, babe,
It ain't no use in callin' out my name, gal,
I'm walkin' down that long, lonesome road babe,

C G D7
It don't matter, any - how
That light I never knowed
Like you never did be-fore,
Where I'm bound, I can't tell

G D Em
An' it ain't no use to sit and wonder why, babe,
An' it ain't no use in turnin' on your light, babe,
It ain't no use in callin' out my name, gal,
But good-bye's too good a word, gal,

A7 D D7
If you don't know by now,
I'm on the dark side of the road,
I can't hear you any more,
So I'll just say fare thee well,

D7 G G7
When your rooster crows at the break of dawn,
Still I wish there was somethin' you would do or say,
I'm a - thinkin' and a-wond'rin' all the way down the road,
I ain't sayin' you treated me unkind,

C A7
Look out your window and I'll be gone,
To try and make me change my mind and stay,
I once loved a woman, a child I'm told, I
You could have done better but I don't mind, You

G Em C G D G
You're the reason I'm trav'lin' on, Don't think twice, it's all right
We never did too much talkin' any-way, So don't think twice, it's all right
give her my heart but she wanted my soul, But don't think twice, it's all right
just kinda wasted my precious time, But don't think twice, it's all right
