

## EASY FROM NOW ON (CARLENE CARTER, 1976)

D G D A  
There he goes gone again. Same old story's gotta come to an end

D G  
Lovin' him was a one-way street

D A  
But I'm gettin' off where the crossroads meet

D G  
It's a quarter moon in a ten-cent town

D A  
Time for me to lay my heartaches down

D G  
Saturday night I'm gonna make myself a name

D A  
Take a month of Sundays to try and explain

---

Chorus:

G D Bm G  
It's gonna be easy to fill the heart of a thirsty woman

D A  
Harder to kill the ghost of a no-good man

G D Bm G  
And I'll be ridin' high in a fandangled sky

G F#m Em G F#m Em A7 D  
It's gonna be easy; it's gonna be easy from now on

---

(Instrumental)

---

D G  
Raw as a whip but clean as bone

D A  
Soft to the touch when you take me home

D G  
When the mornin' comes and it's time for me to leave,

D A  
Don't worry about me; I got a wild card up my sleeve (Chorus)
