Move over little dog cause the big dog's moving in

She's changed the lock on my front door.

My door key don't fit no more.

So get it on over (*move it on over*). Scoot it on over (*move it on over*)

Move over skinny dog cause the fat dog's moving in

This dog house here is mighty small

But it's better than no house at all

So ease it on over (*move it on over*). Drag it on over (*move it on over*)

Move over old dog cause a new dog's moving in

She told me not to play around

But I done let the deal go down

So, pack it on over (*move it on over*). Tote it on over (*move it on over*)

Move over nice dog cause a mad dog's moving in

She warned me once, she warned me twice

But I don't take no one's advice

So scratch it on over (*move it on over*). Shake it on over (*move it on over*)

Move over short dog cause the tall dog's moving in

She'll crawl back to me on her knees

I'll be busy scratching fleas

So, slide it on over (*move it on over*). Sneak it on over (*move it on over*)

Move over good dog cause a mad dog's moving in

Remember pup, before you whine

That side's yours and this side's mine

So, shove it on over (*move it on over*). Sweep it on over (*move it on over*)

Move over cold dog cause a hot dog's moving in
